

# MISSION

We change lives by creating a community of support for young adults, and their loved ones, as they fight cancer and embrace survivorship.

Greetings!

Across America, over 70,000 young adults (ages 15-39) are diagnosed with cancer every year. Since 1997, the Ulman Cancer Fund for Young Adults (UCF) has been working to ensure that no young adult has to face cancer alone. UCF Experiences "Key to Keys" is a journey that brings together a diverse group of individuals to build a community of support for those young adults. Using cycling as a platform, Key to Keys participants come together throughout the journey to share their individual cancer connections and offer as much support to others as they are receiving.

This April, UCF's Key to Keys Experience participants will spend one week cycling from Baltimore, MD to Key West, FL to raise awareness about young adult cancer and spread the mission of the Ulman Cancer Fund. Throughout this ride our team will be visiting cancer centers and communities to connect young adults and their loved ones to our organization.

The money raised by our participants will support our vital programs and services such as Cancer to 5K, the National College Scholarship program, and Young Adult Patient Navigation. For more information, please visit [www.ulmanfund.org](http://www.ulmanfund.org).

In an effort to minimize our expenses, I am reaching out to you in the hope that you might be able to donate a gift certificate (or make an in-kind donation) to cover the cost of food, beverages or fuel for our team throughout the journey. Our team will be stopping in the locations listed below:

- Saturday, April 9<sup>th</sup> - Virginia Beach, VA
- Sunday, April 10<sup>th</sup> - Wilmington, NC
- Monday, April 11<sup>th</sup> - Charleston, SC
- Tuesday, April 12<sup>th</sup> - Jacksonville, FL
- Wednesday, April 13<sup>th</sup> - Daytona Beach, FL
- Thursday, April 14<sup>th</sup> - West Palm Beach, FL
- Friday, April 15<sup>th</sup> - Key Largo, FL
- Saturday, April 16<sup>th</sup> - Key West, FL

Any donation, large or small, will further our efforts to make a difference in the lives of young adults impacted by cancer.
